Resolution in support of the Green River United Faculty Coalition during contract negotiations

Whereas the faculty of Green River College, through their agent the Green River United Faculty Coalition (AFT Local 2195) have been engaged in negotiations for a new contract with the Green River College administration; and

Whereas the GRUFC have been negotiating in good faith for over one year but the process has reached a point where (1) mediation became necessary and (2) faculty have been instructed to "work to the contract", phase II of a formal call to action; and

Whereas the GRUFC held an informational picket of the Green River College Board of Trustees meeting on Thursday, February 19, to protest the lack of progress on salaries and other contract negotiations,

Be it resolved by the North Seattle College Faculty Senate that we, the North Seattle College Faculty Senate, add our voice in solidarity to our GRUFC brothers and sisters in demanding a prompt and equitable resolution of negotiations, and that we will be watching with interest as the process at Green River College unfolds.
